HIGH LAWN FARM CHEESE

CREMA ALPINA

The high cream content of 100% Jersey cow milk contributes amazing mouth-filling texture to this Down East Cider washed-rind cheese. It's firm enough to be sliceable but succulent, supple, and plump when you bite into it, like a savory marshmallow.

Aged 2 months

HIGH LAWN CHEDDAR

Slightly crumbly, dense, and firm with a creamier texture in the mouth. Tangy, buttermilk flavor that is sharp enough to pop on the palate balanced by mellow cultured butter notes from its ghee rubbed rind.

WILDE FIELD

Sharp in a way that might seem Cheddar like, but with a sticky, buttery chew totally unlike Cheddar. Washing the wheels in Shire Breu-Hous IPA locks in moisture and lends nutty background notes. A bouquet of fresh hay and sweet grass anchored in buttery chew.

Aged 3-8 months

COMANCHE QUEEN

When young, the interior of this cheese has the texture of soft butter and a sharp tang. The rind has yeasty, fresh dough notes. As this bloomy cheese ages, the interior texture matures into creamy, melted cheese and the rind takes on a hint of mushroom.

Aged 3-4 weeks

HIGH LAWN BLUE

A natural rind with verdant blue-green veining that evokes the lush pastures of High Lawn Farm, rolling to meet the Berkshire mountains. The blue mold flavor and persistent salt are held in perfect balance by our creamy 100% Jersey cow milk. With a smushable and smeary texture, any attempt at crumbling over a salad will happily end in big, irregular chunks.

Aged 2-3 months

PASTO ALTO

Dense but intensely creamy, Pasto Alto has broad umami notes and a clear undercurrent of roasted garlic. The savory, beef broth flavors make every bite a full meal: onion soup with a cheese sandwich all in one. Toasty pan drippings covered in melted butter round out the flavor.

SIEGFRIED'S PRIDE

Named after one of our award-winning cows, Siegfried's Pride is rubbed with an herb-infused brandy. This fragrant mélange imparts a complex, floral aroma, each piece is practically perfumed with Berkshire mountain grasses and flowers. Firm yet pliable and creamy, this cheese has a succulent mouthfeel that boasts flavors of butterscotch and toasted almonds. It has a sweet, subtle taste, meaning it's not sharp or acidic, with lingering brown-butter notes.

QUINTESSA'S ITALIAN DELIGHT

Named after one of our Jersey Girls this Big, robust cheese boasts surprisingly complex flavors for cheese so young. The texture has a slight bounce giving way to a crumble akin to Romano. It's comforting and sticks to your ribs like a slow-simmered Bolognese made by an Italian grandmother. And it fills the palate like a big red wine with notes of almonds toasted in butter.
